Here is the cover
that they approved

January, 18th 2015

- Hank Williams
- George Jones
- Carl Perkins
- Jerry Lee Lewis
- Johnny Cash
- Stompin' Tom [Canadian]
- Willie Nelson

I found this one
compilation called
"Classic Country Jukebox"

It has material
by both male and
female artists.

- Patsy Cline
- Loretta Lynn
- Tammy Wynette

A great find,
I think we should
use it!

Mark,

I was able to find

some old films of

Stompin' Tom

CBC had "Live At The
Horse-Shoe"

inside their vault.

It's the black & white
version.

They can't find

the color version.

* Also found his
appearance on Conan
O'Brien
