

The Highwaymen

The Highwaymen was a Country music super-group comprising four of the genre's biggest artists well known for their pioneering influence on the Outlaw Country subgenre: Johnny Cash, Waylon Jennings, Willie Nelson, and Kris Kristofferson.

Active between 1985 and 1995, these four artists recorded three major label albums as The Highwaymen: two on Columbia Records and one for Liberty Records. Their Columbia works produced three chart singles, including the Number One Hit "Highwayman"
